

## **BEING EQUIPPED, Staff Training, learning from others**

**2Tim. 2:2 Take the things you have learned from me...**

God used our **staff training** to **deepen our faith** and **sharpen ministry** effectiveness. **Pastor John Meador** taught us how discipleship helps us put on the armor of God. He gave powerful examples of how God has used the Destined mentoring process in his life and church. We heard personal stories from some of 60 people involved in mentoring and how a seminary is asking them to mentor some of their freshmen.

Armor, Pastor John, Ron, Leon,

Our National Director, **Ron Proctor** equipped us with a new tool, "Destined for Harmony".

This will help people around the world to apply the faith principle to their marriage in powerful ways.

**Leon**, our regional director, and others helped increase our effectiveness in prayer, outreach, partnering with churches and ministering in cultures around the world.

## **EQUIPPING OTHERS, Kurt K, TJ, Scott, Guy, Steve**

**Entrust them to faithful men, who are able to pass them on to others...**

As God worked in Kurt K's life through the Destined mentoring process, he passed on what he learned to Guy and TJ who passed it on to Scott and started Steve in the process. Steve coordinated the Capt. Keating Outreach Jan. 26. He meets with us Thursday mornings for equipping to start the mentoring process in the Men's Ministry of Covenant Community.

Scott, TJ, Kurt K Guy S., Steve S.

## **WHO CAN REACH OTHERS, 300 fishermen, Guatemala, 23 go, 80 new believers...**

**Matt.4:19 Follow Me, and I will make you fishers of men.**

**300 hear Capt. Dan Keating discuss fishing and faith, Jan. 26.**

Many of these probably would not attend any other type of outreach. They listened intently as Capt. Dan shared **great wisdom** about salmon, being **trapped in dangerous living**, and **how Jesus saved him**.

Just before presenting the Good News, I learned that nephew **Henry Ditmar** 5<sup>th</sup> was **dying** in a car wreck. People were gripped by **urgency** about **Jesus' invitation**, but not pressured. **Zero negative comments** on the 300 comment cards **about the faith** message..

Many rated the event a "10". Some **valued the faith communication** more than fishing tips. 25 wanted to **return Feb.9** to hear about being **Rescued** from Lake Superior. Others want to **talk with someone** about becoming a Christian. Many in this crowd were moved from a "negative 5" to "neutral" or "open" about the Gospel.. **Dan V. received Christ** two days later with **Steve S.**, who helped coordinate the outreach. Steve will be mentoring this new believer with "Destined for Security". Soon Dan will be able to reach and disciple others who can reach and disciple others, here, and around the world.

80 new believers in Guatemala

**Kurt K and Guy served with 21 people in Guatemala** to partner with a ministry to build homes, share medical resources and the Good News. Over **80 people committed their lives to Christ**, and will be followed up by the ministry they worked with.
