

Ps 145:4 One generation will commend Your works to another...  
 John 15:16 I have appointed you, that you would bear fruit, fruit that remains...  
 2 Tim.2:2 The things you have me heard say in the presence of many witnesses, **entrust to faithful men who will be qualified to teach others ...**

**How your prayers during the past four years impact an *entire family* today...**

August, 2006, **You prayed** for us while camping at Ludington StatePark. God stirred brothers Dan and John Gallagher to invite their sons and other dads to start the “Destined” mentoring process at our campsite. God arranged a “divine appointment” with Pastor Mik who joined us. He said, “**I have never been equipped this way... Now I have someone equipping me and effective tools to help me equip others. 12 guys are fired up for this in our church in Ludington.**”

Feb. 2007, **You prayed** for “Destined” Equipping at Mik’s Church. Twenty guys from Grand Rapids, including John Gallagher and sons, helped equip twenty leaders from Mason County Ref’d. John and his family continued in the process, leading others to Christ, mentoring others, helping with youth ministry at their local church. John also helped mentor Pastor Joe, who has mentored 30 people, and led many to Christ.

**Just today, Larry S. described God’s work through John and his family:** “We met John and his family while camping in Ludington in 2009.

**We could see Christ in their family,** Ryan’s singing, their friends, how they encouraged my **wife Lynn,** me and our **daughter Tori.** After a few months John **helped** Lynn and me **with** our **questions** and doubts. He used “Destined” to help us **understand how to really trust Christ** as Savior, how to be **clear** and **certain** about a personal relationship with God. Ryan helped Tori with the same things. I am not afraid of death and have a peace that is hard to explain. so different! We are connected with so many cool people from their church, which is so different than our background. Our whole family is are being changed as we worship with genuine people.
