

Matt.9:37,38 the harvest is plentiful, the workers few. Ask the Lord of the harvest to send out workers into his harvest field. Phil.1:19 for I know that through **your prayers** and the **help given by the Spirit of Jesus Christ**, what has happened to me will turn out for my deliverance.

**GOD IS ANSWERING YOUR PRAYERS:** *Outreach, Conference, Retreat, Survival, Health, Family*  
**God has been working through** many of the **challenges** we wrote about. The opportunities, and the challenges, have required more commitment than we thought possible at times. We are glad to finally be coming out of a long challenging tunnel to tell you how **God continues to bear fruit**, to multiply loaves and fishes, to comfort, convict, heal, and provide.

**OUTREACH:** *Lance Brew Benefit, sharing Rescued story*  
 So many people attended, that **40 people had to stand up** most of the time. Their **attentiveness** during the Rescued story was **amazing**, many wiping tears from their faces. They took every "Rescued" CD and "Target/Treasure" CD we brought, and dozens of booklets. One couple said with deep emotion, "We really needed to hear this. We want to share the CD with family and friends who really need it." Many auctioned items raised resources badly needed by the Lance Brew family.

**CONFERENCE:** *Hundreds of hungry men*  
 "Leave No Man Behind" was the theme. Hundreds of men converged on the Men's Conference, hosted by Corinth Reformed Church. A dozen excellent breakout sessions challenged and equipped about their families, churches, temptations, outreach and discipleship. **Good feedback** from the 50 who attended my **session on discipleship** indicates God was answering your prayers. Several **leaders** have since **participated** in the **Retreat** and **Survival/Adventure**.

**RETREAT:** *Long Range Trajectory, Impacting the Next Generation*  
 Each of these men saw the **power of commitment and equipping**. The bullet they fired went clear through their piece of steel. But the bullet only has power if it submits to the assembly of its maker, the confinement of the gun, and the wishes of the marksman. We explored **Jesus' teaching about making disciples**. His teaching, training, testing, teamwork and tools. One guy said, "Wow! I see how much I need this kind of equipping. When can you **come back and give us the next steps we need.**" The leaders expressed great gratitude for God's work. Some now attend Survival/Adventure.

**SURVIVAL/ADVENTURE EQUIPPING:** *Hidden Treasures, Hidden Dangers*  
 Hunting treasure, building fire, shooting targets, testing foundations, using compasses, X-rays... What is the point? We're seeing how **God reveals His invisible realities through our visible world**. He has **woven His life and death principles** into every aspect of life. He has **wired every person** to understand them through nature, personal experiences and most of all, His word. But we have to **start where God starts**, first things first, His bedrock foundations, His order. When we make assumptions, or skip His steps, we endanger our lives. Men from **all walks of life** and levels of growth are being equipped to experience, explain and equip others in Gods great foundations. Leaders, dads, sons, new, old Christians are **clarifying** and **connecting**.

See our website, **sample page on back** for glimpses of how this works.

**I, from the bottom of my heart, would like to thank all those who made survival and adventure possible. Also thank you to all those who prayed. God is working through all of you to make this happen.** I have a lot of questions about God, Jesus and the bible. This class is exactly what I need to answer those questions. Sv/Adv really engages my curiosity. As I learn, I want more. I am so grateful to have an opportunity to be a part of Sv/Adv. I learn how to be a better Christian and grow closer to my father God. I have had the true pleasure of meeting some of God's greatest children that I now call my friends. It is so awesome to have these brothers walk with me as I travel down my Christian path. They provide experience, knowledge, and kind hearts, the help I need to keep on my path. As I venture toward my new life **I will forever be thankful for all of you.** As it is you brothers of mine that have saved me from myself and the enemy. *Gratefully, Patrick L Cook II*

**HEALTH, FAMILY:** *Kelly, surgery, Kurt Jr., Carrie, Ginger, Kurt*  
**Kelly:** is able to eat, drive, and work after months of treatments and surgeries. Her massage therapy clients, and Rosa and David are delighted.  
**Kurt Jr. and Carrie:** now in **S. Korea**, teaching English as a second language.  
**Ginger:** recovering from the challenges of helping Kelly and kids during her surgeries and medical issues, and Kurt and Carrie being gone for a year.  
**Kurt:** seeing reduced inflammation in hands/ligaments, improvement in strength, some progress in reducing Lyme disease impact, as long as I live wisely.

**THANK YOU** for giving faithfully. You help put "fuel in our tank" so we can reach and serve others.
