

**Matt. 9: 35-38** Jesus saw the people... like sheep without a shepherd..He said, "Look around. The fields are white unto harvest. **Pray** to the Lord of the harvest, that He will send forth **workers into His harvest.**"

**Would you pray for the harvest, and for the harvesters? Eric, Pastor Keith, us? For a powerful September Surge?**

We are writing on behalf of **Eric, recently baptized.** He represents the **harvest.** He talked with me 3/29 about exploring the realities of Christ. In June he committed his life to Christ and was baptized. Pastor Keith brought the water to him, since we couldn't get his wheelchair into the water. The joy on his face says it all.

We are writing on behalf of **Pastor Keith.** He represents the **harvesters.** He wants me to help equip him and his church to **strengthen foundations for new believers** like Eric, to share their testimonies and the Good News. He is asking for help with **mentoring leaders** for his church, and **outreach events,** (10/27) so his entire church is more effective at harvesting. He is **introducing me to other pastors,** so they also can receive our equipping so they can be more effective in the harvest.

**Your prayer, and a "September Surge" help us equip people like Pastor Keith, Eric...**

**WHY A "SEPTEMBER SURGE" OF GIVING?**

Many **unexpected medical expenses** now require a strong surge of giving. Our ministry account deficit is a result of a many medical drains this spring. **The Lord gave a "surge" of endurance to "stay on the field", to forge ahead with ministry opportunities** despite Kurt's two Lyme relapses, shingles, appendectomy, 2 blood clots, oral surgery and more, and Ginger's foot surgery, heart / pulmonary tests and treatments, pain management, physical therapy and more. It is so **rewarding to seize God's opportunities,** no matter how difficult.

*appendix, blood clots, more, this spring*

**We know that many of you are giving all you can. Your prayers really matter.**

**Would you PRAY that God would give a "surge" of resources to replace what medical expenses took away?**

**Others have asked us to inform them about special needs and opportunities. Will you give towards this September Surge so we can forge ahead with people like Eric, pastor Keith and many others?**

A strong surge of giving right now will refill our CCC ministry account. This will restore our **salary,** help release **ministry tools** we need to order, and help **reimburse non insured medical expenses.** This will help us "stay on the field" so we can reach people like Eric, and equip people like Pastor Keith.

**A check made out to CCC,** sent to address below, note, "**Loosenort, 0029 870**", or using credit card, puts resources directly into our CCC account, gets you a tax receipt. This will "fill our tank" so we can forge ahead. **It helps if you let us know.**

**\$PECIFIC\$: \$10,500** (Kurt's medical=\$5,300, Ginger's medical= \$2,200, Outreaches/Retreats=\$3,000) In addition, we also need laptop, projector for training, other computers need to be tuned up, networked.

*Thank you for praying, and giving, so we can help harvest, and help equip harvesters, Gratefully, Kurt and Ginger*

Dear Partners,

I am writing this letter to endorse the ministry of Kurt and Ginger Loosenort.

They have been involved with our church for over two years. Kurt has preached in our pulpit and helped with outreach and discipleship development for our men's ministry. Both have engaged our people and have served our leadership.

I am eager to introduce other Pastors and leaders to Kurt and Ginger. I want to see God raise up a movement of churches who are more effective in the Great Commission. The equipping and tools Kurt and Ginger provide will help greatly.

Judy and I have also become acquainted with them on a personal basis. They are fun and celebrate life!

Recently, Judy commented to me, "Kurt and Ginger have restored my confidence in para-church ministry."

Some para-church ministries downplay the local church, which causes pastors to avoid them. Kurt and Ginger have used their gifts to support and encourage our people. They have been a positive influence to Crossfire Church.

Now we have an opportunity to encourage them. They have a financial support deficit due to unexpected medical treatments; they need our help.

Today many people and organizations solicit donations for their ministries. Crossfire Church has decided only to get involved financially in ministries where we **know** the people involved and there is financial accountability for the organization. *Campus Crusade for Christ* certainly has been a respected and accountable ministry for many years.

The Loosenorts are good soil; let's plant financial seeds into their lives.  
Sincerely,  
Senior Pastors Keith and Judy Hemmila

Hello Partners,

Over this past year Kurt and Ginger have become dear friends of ours. They have unselfishly reached out to us with love and encouragement. They lifted us up with the Love of God at a time when we needed it, as I'm sure they have done for many of you. As minister's our batteries run low at times. Praise God, through Kurt and Ginger's ministry we were refreshed and recharged.

Now is a time that we can reach out in love and encourage them, with our prayers and support. We can bless them as they have blessed us; in a tangible way by giving financially to this ministry. I encourage you to participate, for the Loosenorts are a great investment in the "Kingdom of Christ".
