Luke 10:20 "...rejoice that your names are written in heaven."
:21 At that time, Jesus, full of Joy through the Holy Spirit, said...
:23, "...blessed are the eyes that see what you see."

GREATEST GIFTS FOR CHRISTMAS

Gift #1: Troy and Christie Walker prayed for their seven year old daughter, Isabel, and their four year old son, Ian, to receive Christ.

Gift #2: They invited friends to a small group exploring how Christ changes our lives. Krista and Darren join other friends at the group, clarifying Jesus' claims and salvation.

Gift #3: Krista clarifies salvation with young girls in Sunday School. Isabel and another girl receive Christ that day.

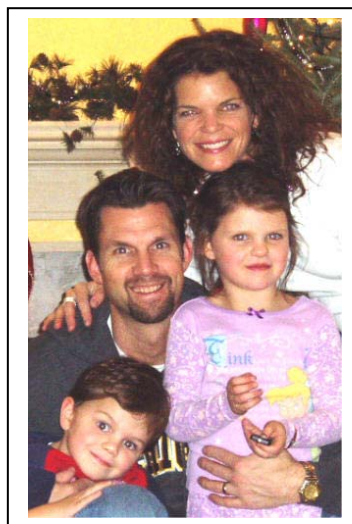

Gift #4 Krista shares this good news report with all of us in the small group. We all rejoice, especially Troy & Christie.

Kurt, thanks for all that you do for us. Your ministry has inspired me and my wife in so many ways. We have wanted to be better equipped as we raise our children and we impact other people's children as High School Youth Leaders. When **Isabel accepted Christ on November 21st**, one of the first things that I did was take her to the Bible and show her Rev 3:20. I explained that Jesus was knocking on the door and she chose to let him in. **She tells people that all the time now.** From there we went to 1 John 5:13 and I explained to her that she can **know** that He is really there. I ask her how sure she is that God is in her heart. Isabel says in her wonderful voice, "**so, so sure Daddy**".

I have prayed everyday that my kids will know God some day and accept Christ into their hearts. I also pray that we will be good examples for our kids and for others. **God has answered my prayers** by introducing me to you and your ministry. We thank God for Kurt, Ginger, and their family. **Troy and Christie**

Gift #5: The angels rejoice. God rejoices. A child has surrendered her life to Him early in life while He can best protect, provide, transform.

Gift #6: We rejoice, because you share in our joy in helping others give and receive Life's Greatest Gift.

Next month we will tell you more about rejoicing in other places...Here and around the world. But for now, thank you SO much for your partnership in these wonderful opportunities.

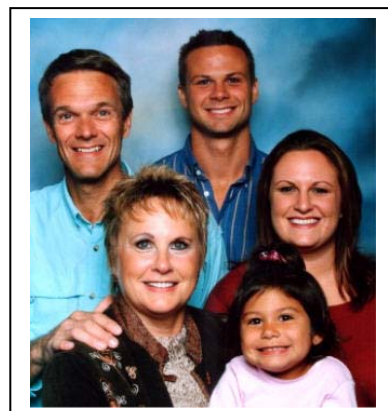

Gratefully, Kurt and Ginger
