

Matt. 9:2 ...Jesus said to the paralyzed man, "Take heart son Your sins are forgiven...:6 Get up, take your mat and go home."

PARALYZED? Will, Pastor Daren, Retreat 2/18,19

"I feel like the guy whose legs were paralyzed by cold in the Lake Superior Rescue Story. He tried to get in your canoe, but couldn't. I want to give my life to Christ, but there's this big struggle..."

Will, a tough ex-marine said, "I didn't want to come to this retreat because I knew I'd have to face some tough issues in my life. Now I'm glad I did, Pastor Daren and other guys really helped me... see that I need to take faith steps one at a time..."

Daren, Will

BAPTIZED, just the beginning.

Will told the rest of the story in Bailey Christian church the day after the retreat. His story and baptism brought tears of joy to many and to me. For many of the 25 men at the retreat, this is just the beginning. Many will attend the Mar. 19 Equipping and pursue the Real Faith Mentoring Process.

Dear Kurt,

Thanks for a great weekend! God moved, and it was cool to be part of. Our men were touched and changed by our time together. It was obvious in Sunday's service. What was powerful to me was that this retreat was not hype, but a deeply reflective time that had solid meat for the guys to chew on. I see our men ready to step up to a new level of commitment.

"EXCEEDED OUR EXPECTATIONS": Wild Game Dinner, Feb.19

"Dear Kurt -

Thanks for sharing your Rescue Story at our Wild Game Dinner. It was truly a blessing to hear such an exciting testimony presented with such humility! The attendance far exceeded our expectations. We're certain your message impacted far more people than we anticipated. We are looking forward to the "continuing adventures" on Mar. 6th & 19th. Again, our sincerest thanks for a wonderful and insightful evening!"

In His Love,

Pastor David Korsen, members and staff of Peace Reformed Church

Doug, Pastor Dave (back row)

"It was an awesome to watch God's answer to our prayers for the game dinner Friday.

As I review the response cards, I'm excited, and in some cases deeply moved, by the number of people seeking answers and desiring to grow. It's all about Jesus." Thanks, Doug

This is just the beginning...80 people (including kids) are signed up for the "Real Faith" informational Potluck, Mar. 6th. Others are committed to the Mar. 19, Equipping and Adventure.

OUR LIVING SAVIOR Matt. 9 Jesus said to Matthew the, tax collector, "Come follow me."

What do these accounts have in common?

1. People may feel paralyzed, unworthy or unable to be saved or to serve Him but...
2. Jesus works in and through our lives as we take one faith step at a time.
3. God works powerfully when we partner with churches.

The main ideas in Real Faith harmonize so amazingly with Pastor Daren's and Pastor Dave's messages, you'd swear that someone had planned it. Only God could stir so many people to take next steps of faith. And this is just the beginning.

THANK YOU for partnering with us so we can have powerful partnerships with others, *Kurt and Ginger*
