FAMILY: What difference can one decision for Christ make?

A phone call from Rosa just reminded us.

John Rader trusted Christ in the 1920's in Keweenaw County. He became a pastor, and founded Gitche Gumee Bible Camp, where thousands of lives have been touched by God. His daughter Joyce, Ginger's Mom, trusted Christ in the 1930's. She married Charles Hart, who later directed Gitche Gumee and pastored a church for many years. Ginger trusted Christ in 1958. Kelly and Kurt C. trusted Christ in the 80's.

Rosa called, "I just asked Jesus into my life with my Mommy!" She seems to understand salvation and is eager to serve Him as much as any young child can. What joy for all generations to hear, including Kurt's parents'. How fitting that Rosa's second birth would occur so near Dad Hart's 90th birthday, Kelly's birthday, their wedding, and Mother's Day.

Pastor Neal blessed Kelly and Jim for their steps of faith and preparation for life and marriage which will glorify God. Their wedding was rich in family, friends and hope. Jim got on one knee, presenting a ring to Rosa, and pledging his love to her as well. Rosa said at the reception, "I'm so glad we can all live together forever as a family with my new Daddy!"

COMMUNITY: What difference can equipping make?

A Real Faith meeting just reminded me.

As Troy and Christie are mentored, they share these principles with their small group, who in turn share them with their friends, family and Youth Group. Their daughter Isabel recently received Christ with Krista from this group. Troy's Mom, Claire, is considering sharing these principles with her group of 20+ single parents at Calvary Church. God is working in similar ways with pastors and leaders in several other churches and areas.

WORLD: What difference can one young man make?

Kurt C. often reminds us. There are so many ways God worked in and through him in Mexico, Krgytzan and India that show God's power and love for other cultures. We hope you'll get to hear details from him. He has shown great faith as he's faced sickness from India, knee surgery April 25, the need for resources and the right job, and God's guidance for missions in the future.

We see the difference your prayer and giving make, from Keweenaw to Kent County to Krgytzan.

Gifts from around the world, Kurt C.

Gratefully, *Kurt and Ginger*
